6. Highlights:

The Government College of Engineering and Textile Technology, Serampore, formerly known as the College of Textile Technology, was established on 30th November 1908. The Institute will be a leader in technology, whose students, faculty, staff and alumni will define and expand the frontiers of knowledge and innovation through their own and shared efforts. The institute seeks to create and enrich a more prosperous and sustainable society for the citizens of West Bengal, the nation and the world by providing innovative solutions through research, consultancy and continuing education to satisfy current and future institutional and R & D needs.
