Highlights:

"Welcome to the Techno Institute of Engineering and Management, (A unit of Techno India Group) Established in 2008, our beautiful 24-acre green campus is more than just a college. It is a destination where ambition meets opportunity. A place dedicated to creating successful professionals for the future. From the moment you step through our grand entrance gate, you enter a complete educational ecosystem. Our campus features dedicated technical workshop, a vibrant student canteen, and a fully equipped common room and gymnasium for a balanced campus life."

"Inside our central Main Building, learning comes alive. Our air-conditioned smart classrooms are equipped with modern smart boards, ensuring students can focus comfortably."

And with high-speed Wi-Fi across the entire campus, global resources and online information are always at your fingertips."

"We believe in hands-on technical excellence. The institute houses seven dedicated computer labs across the CSE, ECE, Mechanical, and BCA departments. With over two hundred high-specification computers, our students train on the latest technology and are always prepared for industry demands."

"Because employability goes beyond technical knowledge, our advanced Language Laboratory bridges the gap. Featuring smart boards and interactive audio systems, it is the perfect space to practice communication skills, master group discussions, and ace mock interviews. This was built by the same company that works with IIT Kharagpur."

For industry exposure and collaborative learning, our air-conditioned Seminar Hall comfortably hosts up to two hundred people for expert lectures, seminars and college events, while our modern Conference Room provides the ideal setting for professional meetings and brainstorming sessions."
