The Faculty of Dairy Technology, WBUAFS is the only institute in Eastern India offering undergraduate and postgraduate education in the field of Dairy Technology and related subjects since its inception over 37 years ago, Faculty of Dairy Technology, with its unique model of education, has been churning out quality Dairy Technocrats who have used their technical acumen to help their organization climb never heights of excellence in food, dairy and allied sectors of the industry in India and abroad.

The Faculty of Dairy Technology presently has five Departments: and one Unit

- Department of Dairy Technology
- Department of Dairy Engineering
- Department of Dairy Chemistry
- Department of Dairy Microbiology
- Department of Dairy Business Management
- Pilot Dairy Unit cum Business process Development Centre

Students take pride in a cosmopolitan milieu, in the lap of nature-making, it a unique seat of learning. The institute has a modern and spacious building covering an area of above 5000 sq m. All the classrooms are designed to ensure an enriching learning experience with comfortable sitting arrangements with extensive use of LCD projection systems to give the students a better understanding of the subject through audio-visual means. A number of state-of-the-art labs, focusing on the present day requirements of the industry, give the students an opportunity to verify what they have learned during the theory classes on their own. There are separate labs catering to the needs of the undergraduate, postgraduate and research curriculum. A commercially managed 'Students' Dairy Plant gives the students the feel of working in an industry right from the very first year of their course.
